

The DRHE is aware that households in the Dublin Region who may have received a Notice of Termination from their Landlord may be worried or unsure of what to do. On behalf of the four Dublin Local Authorities, the **Dublin Region Homeless Executive** would like to advise anyone affected of the services available to you.

- We strongly encourage anyone with a Notice of Termination to contact your local authority **as soon as you receive a Notice from your landlord**. The details for the four Dublin Local Authorities are at the end of this page.
- When you contact us we will take note of your termination date.
- We may refer your notice to Threshold, a service funded by the DRHE to provide a **Tenancy Protection Service** for private renters in the Dublin Region. You can also contact Threshold directly on Freephone 1800 454 454 or see Threshold.ie for more information and advice on the validity of your notice.
- Our first response will be to try to **prevent** homelessness. This includes assessing your position on the social housing list, advice on applying for Choice Based Lettings, advising you on the level of Housing Assistance Payment you may be eligible to receive and in some cases assessing if we can acquire your current dwelling if it is being offered for sale.
- Placement in emergency accommodation will be a last resort, if no other alternative can be identified. For households in emergency accommodation there will be support to assist you to access more permanent social housing supports in the shortest possible timeframe.
