

Quarterly Report on Complaints Received by the DRHE

The Dublin Region Homeless Executive (DRHE) proactively encourages anyone accessing emergency accommodation that wishes to make a complaint, to do so. In line with Action 4.14 of our [Statutory Homeless Action Plan 2022-24](#), we promote the complaints process through a designated Complaints Officer and circulate posters and literature to all accommodation facilities, informing service users of the complaints process.

All complaints are investigated within three weeks of being received, with a formal response issued to the individual who submitted the complaint. The DRHE uses the complaints process to learn, adapt and improve the services available to individuals experiencing homelessness. The Complaints Policy is available to view in full on our website [here](#).

This report includes the log of complaints received by our Complaints Officer in Q2, 2023. We acknowledge the importance of transparency and accountability, while respecting the confidentiality under which the complaints were submitted. As such, the complaints log does not include any identifiable details. This log also does not include complaints received by NGO service providers, who may receive and resolve complaints locally before an individual decides to make a formal complaint to the DRHE.
