

**7<sup>th</sup> December 2021**

The impact of severe weather can be immediately life threatening to people who are sleeping rough and the DRHE has coordinated and implemented contingency plans that will operate for the duration of the Orange Status Warning as a result of Storm Barra today. These include:-

- We have activated our additional emergency beds. These will be managed through the Central Placement Service;
- All emergency accommodation is provided on a rolling, 24-hour access basis, with meals provided on site.
- Day Services - see below for further details
- The Freephone service operates for anyone in need of accommodation today - **1800 724 724**;
- Dublin Street Outreach service provided by the Dublin Simon Community. The team are on the streets today from 7am – 1am. Additional outreach supports will be operating for the duration of the Orange Status Warning;
- We will use [@homelessdublin](#) for further updates as required.

We are extremely grateful for the ongoing cooperation and assistance from our partners in the charity sector including the many service providers and all those involved in the voluntary sector.

**We would also continue to ask the public for their assistance during this time to let us know if they come across someone sleeping rough at**

**\*Dublin Street Outreach Service Tel: 01 872 0185 from 7am to 1am** The DRHE in partnership with Dublin Simon Outreach and PMVT Intake team are assertively working on the streets offering accommodation to all rough sleepers. The teams are very familiar with the locations of people sleeping rough across the Dublin Region and persistently work with individuals to support them into emergency accommodation. This process can take time and multiple contacts, as some people do not want to engage (for whatever reasons) but the teams persevere with every person working to achieve a successful outcome.

The service operates **365 days a year, until 1am**. The Outreach Teams also ensure that people sleeping rough are linked with other appropriate health services such as addiction and mental health services to prevent further rough sleeping. PMVT's Housing First Intake team links rough sleepers to permanent accommodation with long-term supports.

All emergency accommodation is now 24 hour, with food and shower facilities provided.
