

Monthly Report

on Homelessness in the Dublin Region

This report focuses on the situation in the Dublin region (inclusive of the 4 Dublin Local Authorities) at the end of **July 2024**. There are **82** more households in emergency accommodation when compared to the previous month, with **91** more individuals. This reflects a decrease in families and an increase in single adult households.

*Number of individuals in Emergency Accommodation in the **Dublin Region** – from July 2023 to July 2024, as published nationally:*

1. Family Homelessness

In Dublin at the end of July 2024, there were **1,488** families in emergency accommodation. This is a decrease of **8** on the June 2024 number, and an increase of **141** when compared with July 2023 when there were **1,347** families in emergency accommodation. That is an **11%** increase in the number of families in emergency accommodation in the Dublin Region in the past 12 months.

Family Households by Local Authority: DCC – 741 (50%), DLRCC – 88 (6%), FCC – 295 (20%), SDCC – 364 (24%)

The number of children residing in emergency accommodation at the end of July was **3,289**. This is an increase of **4** when compared to the June 2024 figure and **381** more than the July 2023 figure of **2,908**.

New family presentations have averaged at **79** per month for the year to date. The average number of families leaving homelessness to a tenancy is **54** per month. **Fewer families exiting homeless accommodation to tenancies is the main driver of the increase in the number of people experiencing homelessness in the Dublin region.**

Table 1: Average presentations and exits (families)

1.1. Use of Commercial Hotels

The numbers of families residing in commercial hotels has increased. By the end of July 2024, there were **476** families using commercial hotels. This represents an increase of **13** families from **463** in June 2024 and compared with **383** in July 2023, an increase of **93** families in this type of accommodation over 12 months. The highest level was in March 2017, when the number of families in commercial hotels reached **871**. The DRHE is entering contracts with some of these facilities to reduce our vulnerability to shortages during times of peak demand.

1.2. New Family Presentations – July 2024

79 families entered emergency accommodation for the first time in July 2024. This is an increase of **3** on the number of families that entered for the first time in June 2024. The table below shows family presentations for the previous 12 months.

July 2023	Aug 2023	Sept 2023	Oct 2023	Nov 2023	Dec 2023	Jan 2024	Feb 2024	Mar 2024	April 2024	May 2024	June 2024

**Additional social housing exits are completed by each Local authority, under their respective Schemes of Lettings, to homeless single households coming from long-term supported accommodation or from non-Section 10-funded accommodation, that are not included here.*

The monthly average number of singles exiting emergency accommodation to tenancies in 2024 is **68**, compared with **46** in 2023, **44** in 2022, **81** in 2021, **84** in 2020, and **48** in 2020.

2.5. Housing Support Officers and Other Supports to Private operated facilities (PEA)

Housing Support Officers visit private emergency accommodation facilities to give housing support. In-reach health and addiction services are provided by the HSE and an integrated Care and Case Management Team is now providing case management and clinics in private emergency accommodation across the region.

3. Housing Assistance Payment Scheme (HAP)

The Homeless HAP Scheme remains an important tool in the response to homelessness. DRHE Housing Support Officers and Place-Finders, as well as NGO staff, assist households to move out of emergency accommodation or prevent them from entering in the first place. **176** new Homeless HAP tenancies were sourced in July 2024.

Breakdown of household type and previous accommodation of those accessing HHAP in July 2024:

Previous Accommodation	Singles/Couples	Families	Total
Leaving hotels/PEA	17	9	26
Leaving STA	14	5	19
Prevention/did not use EA	53	78	131
Total	84	92	176

4. Duration accessing emergency accommodation

4.1. Families – Detailed Analysis of Duration in Services

Duration in EA – July 2024 (as at 31/07/2024)	Total Families	%
24+ months	366	25%
18-24months	151	10%
12-18 months	203	14%
6-12 months	290	20%
6 months or less	464	31%
Total	1474	100%

* This figure differs to the 1,496 figure for June because it is calculated using a point in time. The monthly family figure is calculated by counting all families using emergency accommodation over the final week of each month.

When compared to July 2023, the percentage of families in the 6 months or less, 12-18 months and 18-24 months' categories has decreased. The percentage of families in the 24+ month's categories has increased.

4.2. Single Adults – Duration in Services

Duration in EA – July 2024 (as at 31/07/24) One Night Only	Total Singles	%
24+ months	858	19%
18-24 month	359	8%
12-18 months	471	10%
6-12 months	846	19%
6 months or less	1,951	44%
Total	4485	100%

5. Housing First

Housing First in the Dublin Region is provided by Peter McVerry Trust (PMVT) on behalf of the DRHE. As of the end of July 2024, there were a total of **546** active Housing First tenancies. **13** Housing First tenancies were created in July 2024: DCC – 5, DLRCC – 1, FCC – 2 and SDCC – 5.

The service is currently being tendered by the National Housing First Office and referrals are paused for the month of September.

6. Reports/Data

The DRHE is in the process of moving the data from this report onto our website. Much of the data that is in this monthly report will be available in a more accessible format.
